

Employee mood monitoring  
and analytics for companies

**CompanyMood**

EMPOWER YOUR PEOPLE.

# COMPANY MOOD OFFERS

## FAST & EASY MOOD TRACKING

in under 30 seconds per employee and week.

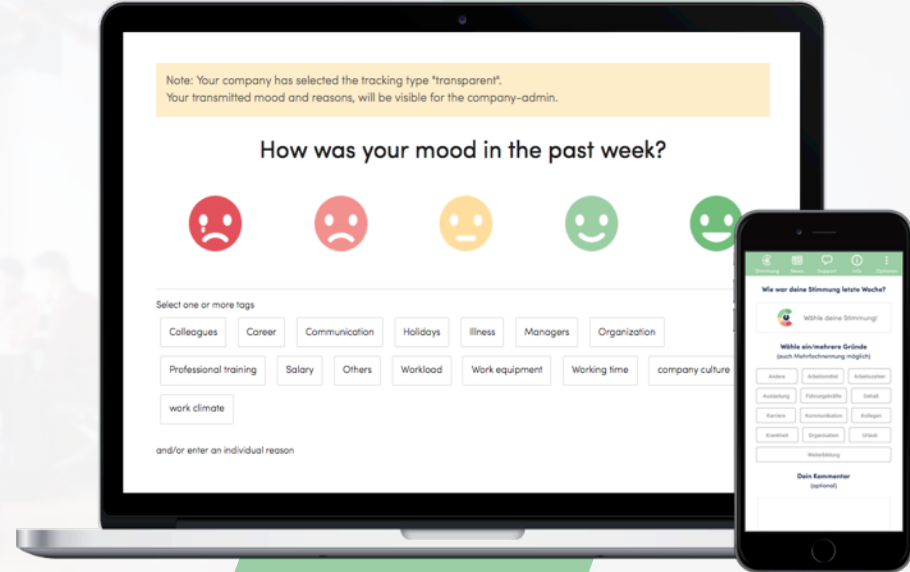

## ANALYSIS & VISUALIZATION

saves your time with intelligent reporting and clear prioritization.

## AVAILABILITY & INTEGRATION

for web, apps, and stationary terminals provide usability for any business area and do not require a pc work place.

# HOW YOU BENEFIT

## WORK CLIMATE INSIGHTS

Don't miss any important issues or success factors

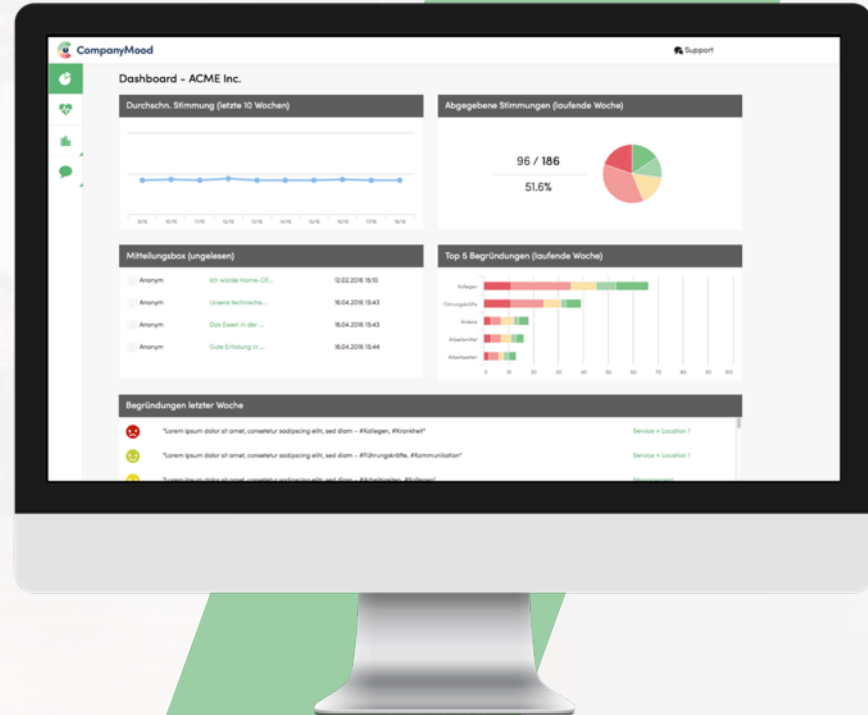

## INCREASE PRODUCTIVITY

Happy employees show an up to 20% higher productivity, more creativity and less absenteeism

## AGILE DECISION-MAKING

Decide based on real-time feedback and information instead of guesswork

# HOW IT WORKS

---

## INVITE

### **YOUR EMPLOYEES**

---

Easily invite your employees via their email addresses or use tablet terminals without a login.

## MEASURE

### **YOUR EMPLOYEES MOOD**

---

Once invited, your employees can easily track their moods on a weekly basis or send feedback at any time.

## IMPROVE

### **BASED ON RESULTS**

---

See criticism, suggestions, ideas and complaints at a glance, to setup the right measures to the right time.

# MOOD TRACKING

## Feedback couldn't be easier:

- select a mood (one of 5 smileys)
- select one/multiple reason-tags for your mood
- add a comment (optional)

How was your mood in the past week?

Select one or more tags

Colleagues Career Communication Holidays Illness Managers Organization Professional training

Salary Others Workload Work equipment Working time company culture work climate

and/or enter an individual reason

Reason (optional)

# SUGGESTION-BOX

## Feedback at any time:

- sending messages via suggestion-box is possible at any time
- the message can be only text or optionally extended with a smiley and a pre-defined reason-tag

### Create a new suggestion

This message is **100% anonymous** and only visible to your company-admins (without originator).

Here you can send ideas, suggestions, criticism, complaints or praise to your company.

You can send a **simple text message** or let it influence **the mood statistics** of your company, by selecting a mood and a reason for your message.

Your message

We should have more professional training for our support staff.

How does this affect your mood?

Unhappy

Select an applicable reason

Professional training

☐

I'd like to send this message **not anonymous**.

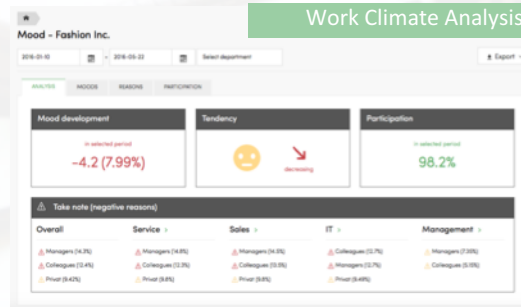

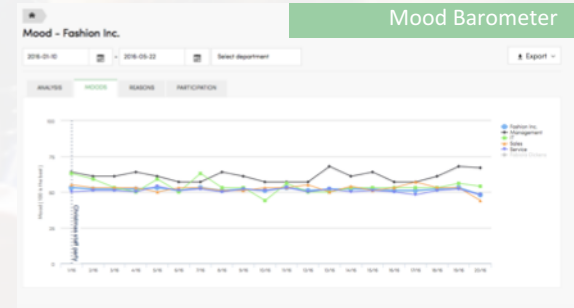

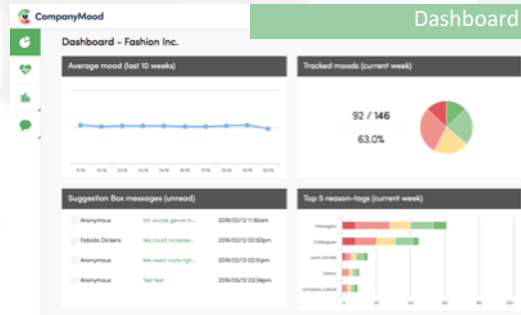

Create

# MOOD ANALYSIS AND VISUALIZATION

## EMPLOYEE SATISFACTION AT A GLANCE

Our analytics deliver  
simple and reliable  
insights to your companies  
overall work climate and  
reasons in real-time

# FOCUS ON YOUR TOPICS

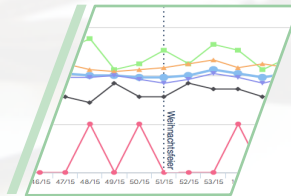

## AS INDIVIDUAL AS YOUR COMPANY

Adapt CompanyMood  
to your needs and topics.  
Individual reason-tags  
and event-pins will  
support your analytics

## EVENT PINS

mark milestones or  
any other event to  
analyze their impact  
on the work climate

## REASON-TAGS

create your own  
reason-tags to adapt  
the mood review  
to your topics

## TEAMLEAD ROLE

Teamleads see their  
teams data and receive  
pdf reports for their  
teams/departments.

# WE PROMISE
